120	24	51-63	32-44	2.000

- Regardless of individual course grades, students must maintain a minimum 2.00 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score. The foreign languages recommended for students majoring in philosophy are French, German, Greek, and Latin.
- 18 hours of Philosophy electives numbered 201 or above are required and must include one to two courses from each of the groups in the following table:

Choose 1-2 from each of the following groups:

Two courses (6 hours) must from the 500-level.

- The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- Students majoring in Philosophy are encouraged to take PHIL 390 during the junior year, or before the final 30 hours of study. PHIL 390 fulfills the Field of Philosophy requirement within the Philosophy major. Students should plan to take PHIL 390 during their Junior year, or after 60 hours of study.
- No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

### Program Notes:
